

This technical drawing shows a plan view of a drainage system. A red line represents the main drain pipe, which starts at a wall on the left, runs horizontally, turns 90 degrees downward, and then continues horizontally again. Key features include:
 - **SIROP**: Label for the roof edge at the top left.
 - **PODHLÉD**: Label indicating a viewing or access point near the first horizontal section.
 - **PODLAHA**: Label for the floor level at the bottom left.
 - **Dimensions**: Various measurements are provided in millimeters (mm). Vertical dimensions from the floor (PODLAHA) include 2600, 2350, 2820, 2400, and 2550 mm. Horizontal dimensions along the top include 50, 250, 200, 200, 350, 200, and 50 mm. Pipe diameters are indicated as 200 and 400 mm. An angle of 45° is shown where the pipe turns downward.

[illegible][illegible]

Technical drawing of a floor plan showing a staircase and a door. The drawing includes dimensions for the staircase (480, 2500, 2750, 2850, 5640) and the door (160, 30). The door is labeled "PODHLÉ" and the staircase is labeled "PODLAHA". The drawing is oriented vertically with a dashed line indicating the direction of view.
