

Technical drawing of a building floor plan, showing a rectangular layout with dimensions and labels. The plan includes a central corridor (1.09) and several rooms. Dimensions are given in meters (m) and feet (ft). Labels include "1.NP" (North) and "1.PP" (South). A note indicates a door opening is "x60" 2xR100". The drawing shows a complex arrangement of rooms and corridors, with dimensions for overall size and individual room areas.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and tolerances. The drawing includes a top view and a side view. Key dimensions include a total width of 400, a central width of 100, and a height of 100. A tolerance of 0.02 is specified for a small feature. A note '0.012' is present near the bottom center.

Technical drawing of a window frame cross-section. The drawing shows a window frame with a glass pane and a sill. Dimensions are indicated in millimeters (mm). The frame has a total width of 400 mm and a height of 500 mm. The glass pane is 250 mm wide and 250 mm high. The frame is made of a material with a thickness of 25 mm. The drawing also shows the internal structure of the frame, including the glass pane and the frame itself. The frame is labeled with '09/2' and '500'.
